RAMADAN MONTH OF THE QURAN

Every Ramadan, we see ourselves spending more time with the Quran. By "spending time", we mean that we read it (with out fulfilling it's rights) more,more and more like a race.But we're not in a race to see who will read the most . However, we are in a race to see who will fulfill the primary purpose for which it was revealed. Let's strive to fulfill the rights we owe to the QURAN

Belief and Honor

(Iman wa ta'zeem)

اس پر یقین
(ایمان و تعظیم)

Reading and Recitation

(tilawah wa tardeel)

اس کو پڑھنا
(تلاوت و ترتیل)

Understanding and Reflecting

(tafakkur wa tadabbur)

اس کو سمجھنا
(تفکر و تدبر)

Implementing the Guidelines

(hukm wa iqamah)

اس پر عمل کرنا
(حکم و اقامت)

Conveying and Clarifying

(tableegh wa tabyeen)

اس کو دوسروں تک پہنچانا
(تبلیغ و تبیین)
