هَلْ جَزَاءُ الْإِحْسَانِ إِلَّا الْإِحْسَانُ

Indeed! the reward of goodness is nothing but goodness.

Allah, Almighty, Says: "...And whatever you spend of good – it will be fully repaid to you, and you will not be wronged." [2: 272] And whatever is given for Allah's sake will never decrease one's wealth in the slightest; rather, it will bless, purify and increase it, as the Prophet (Sallallahu alayhi wassallam) said: "Charity does not decrease wealth." [Muslim]

May Allah SWT reward you and your family for your generosity and accept your donation and make each penny the best Sadaqa e jariyah. Aameen.

India: Alhamdulillah after identifying the most needy families, the packages were ordered from Ration Shop and Delivered individually to the houses of needy.

At few times due to the strict lockdown situations, we arranged the packages at ration shop and masjids and they deserving were directed to such places to receive the package.

Pakistan: The process started with deserving students and their families. We collaborated with the Whole Sale Ration Owners for best price and made Ration Cards and after 2 step verification process, we gave the needy Ration Tokens as per their family sizes. They would then go to the ration shop to pick their package, this process helped us as sometimes it was not easy to take the transport in rural villages with no proper road access.

Many admins and their families helped collectively in this distribution process. May Allah SWT reward each of them too for their tireless efforts. aameen.

Once Again – All Praise is for Allah Almighty – Only with HIS immense help this Project Started with It's End in Mind and Completed it's Target.

الْحَمْدُ لِلَّهِ الَّذِي بِنِعْمَتِهِ تَتِمُّ الصَّالِحَاتُ

Alhamdulillahil lathee bi ni'matihi tatimmus saalihaat

All praise and thanks are only for Allah, the One who, by His blessing and favor, perfected goodness/good works are accomplished.

Jazakallahu Khayran Kaseera for all Admins and their families and All donors and their families . With Allah Almighty rahma and collective efforts of all we reached the target of distributing 2000 packages successfully.

We pray that May Allah SWT reward all and their families for the generosity and accept all donations and efforts done in this blessed month of ramadan and make each penny the best Sadaqa e jariyah. And source of continuous duas. Aameen.

Note: Every effort is made from purchase of Ration to delivering to the deserving in the best possible manner, but any shortfall may be forgiven by the Organization and pray for acceptance of the same.

The project has a very solid and positive impact on the daily life of the Deserving and Needy. Most of the families received the support got the relief from arranging food during the holy month of Ramadan.

FUTURE PLAN

During the process of reaching the most needy in remote and very rural areas of both countries

- we felt a very dire need not only of physical hunger but hunger and emptiness of Deen and Quran in their lives and hearts.
- Also we have by Allah Almighty grace identified few local mosques and schools where we can start work of Islamic education based on Quran and Sunnah and help our ummah understand the main purpose of life and to connect people with the book of Allah Almighty.

Last but not the least We ask you to pray for Nur Ul Quran's success to Enlighten the hearts, homes and lives with the Light of Al Quran. And we hope for your continued support in the future with many other projects too.
